

Activity: *Sad dten-lam* = Dancing Animals

- **Topic:** Animals
- **Objective:** Students can practice the name of different animals
- **Materials:** Make 4-5 picture cards (or more if you want to change them more frequently) with the Lao word for each animal on the other side of the card.

- **Vocabulary:**

maeow = cat

maa = dog

muu = pig

gai = chicken

ngua = cow

- **How to Play?**

1. Put the picture cards of different animals on the floor around in a circle.
2. Then play the music and get the students dancing around the cards. When the music stops, they have to freeze. Take turns to tell the animals' names in Lao. Then the game can continue one or two more rounds (or more).
