

**Activity: *Gem nyaad kheuang* = Snatching Game**

- **Topic:** Numbers and Animals
- **Objective:** Students can repeat the name of different animals and practice numbers 0-20
- **Materials:** Make 4-5 picture cards (or more if you want to change them more frequently) with the Lao word for each animal on the other side of the card.
- **Vocabulary:**
  - maeow* = cat                      *maa* = dog
  - muu* = pig                              *gai* = chicken
  - ngua* = cow
- **How to Play?**
  1. Divide students into 2 teams.
  2. Students in each team will have the same number tags on their shirts from 1 up.
  3. Teacher calls out a name of an animal for snatching but gives student a bit of time to think about it before calling out the number of the player in Lao, for example: Teacher: "Bpai-aow maa"(go and get a dog ), "*ber saam giam phawm*" (number 3 get ready). Count 1 to 3 in Lao " *neung, sawng, saam*" (1,2,3)
  4. The team ending up with the most animals will be the winner and get a sticker.
