

Primary 1

Plan 2

1. Topic : Numbers 1-20

2. Learning Outcomes:

- Recognize the Lao numbers for numbers 1-20
- Rote count Lao numbers 1-20
- Recall individual Lao numbers 1-20

3. Lao Language : Here or attached.

| <u>Vocabulary</u> | <u>Structure</u> | <u>Other</u> |
|--|------------------|--------------------------------|
| Lao numbers 1-20 neung, sawng, saam, sii, haa, hoke, jed, paed, gaow, sip, sip-et, sip- sawng, sip-saam, sip- see, sip-haa, sip-hoke, sip-jed, sip-paed, sip- gow, saow. | | daily informally on the mat |

4. Activities (what to do):

- Introduce the Lao numbers
- Count up to 10 and then later 20 as they get more proficient
- Rote count up to 20 as a whole class
- Flash the number cards and the children call out the number shown
- Play other simple number games using the Lao numbers

5. Resources/Materials: (see attached)

- Number cards
- Number chart

6. Methods of Assessment of Student Achievement of Learning Outcomes:

- Informal Observations
 - Do the children recall the Lao numbers?
 - Can they play number games responding appropriately?

❖ Vocabulary

Lao numbers 1-20

| | |
|-----------|-----------|
| neung | One |
